

2023 *The 1st Global Logistics Cooperation Conference*

Sponsorship Proposal

Bangkok, Thailand

Mar. 5th-7th, 2023

Sponsorship Value Point

Build Brand Image

Show enterprise advantages on a large scale, and build good brand image among customers or potential customers, so that to expand the business and grasp business opportunities.

Explore Business Opportunities

Attending the conference to make one-to-one meeting with others by according business requests, you can get the first-hand industry data and win good developing opportunity by face to face and point to point.

Expand Business Advantages

Position the enterprise as the industry leader through disseminating industry foresight and sagacity, explore the business on a large scale and obtain industry key business groups, then establish customer relations..

Highlight Enterprise Strength

The business advantages and enterprise strength can be highlighted through on-site brand showing, which further increases the exposure of enterprises and expands brand influence.
